SouthPasadenan.com Exec. Editor Daniel Vasquez will conduct a Q&A with Steve and audience

“There is so much story in this story. [Steve Hodel’s *Black Dahlia Avenger*] It’s hard to catch your breath while you try to tell it. It’s so easy to lose your audience because it all sounds too fantastical. And it’s like working out a math equation. Details in each step matter and will come into play later.”
